

Warranty

AMORIM SPORTSFLOOR WARRANTY LIMITED TO 5 YEARS*

SPORTSFLOOR, a Amorim Cork Composites' recycled rubber flooring, is guaranteed to be free from manufacturing defects, in terms of materials and/or workmanship. If the recycled rubber flooring is found to be defective under normal conditions, within a 5-year period from the invoice date (issued to the original purchaser), Amorim Cork Composites will, at its own discretion, replace the defective material or issue credit up to the retail price of the defective goods.

The decision to replace or refund the product will be the manufacturer's sole responsibility, and the purchaser only has recourse to this option in relation to the defective product.

This warranty does not cover installation costs or other related expenses. Although Amorim SPORTSFLOOR is used successfully in ice-rink applications, this warranty expressly excludes premature wear and tear caused by ice skates in heavy-use areas (penalty boxes, walkways to/from the ice, etc.).

Due to the abusive nature of skate blades on any type of flooring, Amorim Cork Composites highly recommends the use of blade protectors when walking on our floor.

The SPORTSFLOOR warranty is not applicable and, consequently, there is no replacement or refund of the product, if the flooring is damaged by (1) a different installation than that recommended by the manufacturer (2) accident, improper use, misuse, or force majeure, (3) irregularities of the substrate, (4) hydrostatic pressure, temperature, and / or extreme humidity, and / or (5) unauthorized alterations or repairs.

This is a limited warranty. No other warranty, expressed or implied, is provided, except as herein mentioned. Liability for any special damages, indirect, incidental, or consequential, is not accepted. Some countries do not allow the exclusion or limitation of implied warranties or accidental damages, or as a consequence thereof, whereby the above limitation or exclusion may not be applicable in your case.
